

Sweeney, Christie, and Oliver have cut a pension and benefits deal that will...

- **Rob you of your collective bargaining rights**
- **Cost you thousands of dollars each year**
- **And you will lose more every year**

Where do *your* legislators stand?

**Call 888-875-6558 and put your zip code in and you will be patched through to your
Legislator**

*The legislators listed below bought the deal.
Call and email, express your outrage,
and tell them to oppose the bill.*
